WELCOME! If you are a visitor YOU are our honored guest!

WHAT IS THAT IN YOUR HAND?

In Moses' hand it was only a staff, but when it was given into the service of God it became famous. Who does not know about the rod that became a snake? (Exodus 4:2-5). The point is: there is nothing little, insignificant, or inferior when it is consecrated to God. Look at even more evidence of this truth.

Shamgar had in his hand an oxgoad, only an oxgoad (Judges 3:31), but with it and the power of God, he struck down six hundred Philistines, "...and he also saved Israel."

Young David had in his hand a sling, only a sling, but when used for God, it was the means of killing the giant Goliath and leading the army of God to victory (1 Samuel 17).

Jacob dug wells, only wells for collecting and supplying water, but one of those wells became a blessing to the Savior of all mankind who has living water to offer (John 4:6).

There once was a boy who had in his hand his lunch of five loaves and two fishes (John 6:5-14), but when offered to the Lord, they were miraculously multiplied to feed five thousand men besides women and children. Little things given to God can be multiplied to become great.

A poor widow had only two mites which amounted to about one cent (Mark 12:41-44), but when given to the Lord, the act became one of the greatest examples we have to teach liberality and sacrificial giving that bring many wonderful blessings from God.

Dorcas held a needle (Acts 9:36-39), but with this little needle she was able to do many good works which testified to her kindness after her death.

My friend of today, what is in your hand? A Bible, your soul, your life, the life of your children? Obey the Bible and save your soul and enrich your life. A life, though it may seem little, when dedicated to the service of God can become of great value.

THE VALUE OF ONE MEMBER

Ten church members all in a line, ...One dropped out, then there were nine.
Nine church members working late, ...One got tired, then there were eight.
Eight church members on the way to heaven, ...One took a detour, then there were seven.
Seven church members got into a fix, ...One lost the argument, then there were six.
Six church members wished there were more, ...Two became indifferent, then there were four.
Four church members, cheerful as can be, ...One got discouraged, then there were three.
Three church members, what could they do? ....One quit meeting, then there were two.
Two church members, not having any fun, ...One joined a club, then there was one.
One church member, feeling rather blue, ...Invited his friend, then there were two.
Two church members each enrolled one more, ...Doubling their number, then there were four.
Four church members just couldn't wait, ...Each brought another, then there were eight.
Eight church members soon found eight more, ...In six more verses they had 1,024!
